LARGEST CIRCULATION IN TERRACE BAY

January 25, 1951

HOCKEY GAME SATURDAY

After a week's rest and a couple of practices thrown in for good measure, the "Rockets" will journey into Schreiber on Saturday night to take on the "Deisels" in what should be one of the best games of the season. The last time that these two teams met, the Rockets lost out by a score of 4-1. However, as anyone who saw that game will agree, our lads had a lot of tough luck that night and most certainly had a distinct advantage of the play all evening. Quite a few penalties came our way that night and it is hoped that without these costly penalties this Saturday, that the boys can bring home the bacon.

DO YOU VOLUNTEER?

Plans are under way to arrange for skating music at the school rink each night. However, we do have to have an attendant there each night to maintain order and look after the record playing equipment. This would only entail being at the rink from 8:00 to 11:00 p.m., unlocking the equipment for use and seeing that it was put away properly and re-locked prior to going home. At present we have approximately 15 persons who have volunteered to take their turn. If we can get another 15, it would mean just one night per month which is not much of a chore for any one. Should you be interested in working on this scheme, please give your name to Ossie Dalzell or call the Personnel Office at Local 16 and leave your names there. Just as soon as the details can be worked out you will be contacted and given the date of your night of duty.
