SHADES OF MERRY OLD ENGLAND

Stroll through the machine shop any noon-hour and you will be surprised to witness a small group of men intently playing darts. These men take their game very seriously. Each one has his own set of 4 darts, and guards them jealously.

If there are any more dart players in the vicinity, how about challenging the machine shop exponents to a game?

BROOM BALL GAME SUNDAY

The School Rink will be the scene of a real grudge game on Sunday at 2:00 p.m. when the gang from the Engineering Office will take on the boys from the Administration Building. Judging by the amount of enthusiasm on both sides, this is going to be some Broom Ball game. A challenge has already been received from the Technical Department to take on the winners at an early date.
