The women you see heading toward the Curling Rink these Wednesday nights are the lady curlers. That look in their eyes comes from wondering where they are going to put the trophy. It is still anybody's guess who is going to walk home with the Club Championship Trophy being donated by the Hudson's Bay Company. As soon as that is settled comes the big bonspiel to see who is going to take the Trophy being donated by Seagram-Distillers (Ontario) Ltd., for the Bonspiel Championship. Seagrams have informed us that they will also send along four prizes for the winners of their trophy. Have you tried any of that coffee being served by the ladies of the club?
