LARGEST CIRCULATION IN TERRACE BAY

HOCKEY GAME SUNDAY

After last Saturday's thrilling encounter between Terrace Bay's "Rockets" and Schreiber "Deisels" that ended in a 5-all stalemate, there isn't a hockey fan in Terrace Bay who can afford to miss the game this coming Sunday when our Rockets will take on the Mercurys from Marathon at 3:00 p.m. in the Schreiber arena.

In last Saturday's game, the locals were trailing by 4-1 at the end of the second period, at the five minute mark in the 3rd semester our chances of victory didn't look much better as the score was then 5-2. However, the fighting spirit of the Rockets was really terrific and they kept on the pressure and in the last few minutes of play, they tied up the game and as the final whistle went they had the opposition bottled up in their own end of the rink, frantically trying to prevent the scoring of the counter that would mean victory for Terrace Bay.

Marathon and Schreiber will meet in Schreiber on Saturday night and should the Deisels cop that one, the Rockets should bring home the bacon on Sunday to almost ensure themselves of a spot in the play-offs.

It is rumoured that Marathon are bringing along a great bunch of supporters with them to cheer them on to victory, if that is the case then it is felt that every able-bodied hockey fan with a good pair of lungs should at least try to get into Schreiber to give some support to the Rockets' efforts.

Booster Club tickets for admission to the game may be procured from Joe Butler, Alex Chisholm, Bill Broome, N. Camp Snack Bar, Bowling Alleys and the Greenwood's Butcher Shop.

NOTICE RE DOG BY-LAW:

All interested persons, whether dog owners or not, are requested to attend a meeting in the Teen Town Hall scheduled for Tuesday evening, 7:30 p.m., on February 6th.

Sometime ago a petition was passed around to sundry dog-owners, which requested a meeting with the Board of Trustees of the Improvement District, for the purpose of determining what restrictions presently in force could be lifted, modified or at least reviewed. The Board have now expressed their willingness to meet with a delegation of three persons and hear their representations.

The purpose of this meeting therefore is to consider proposals to be offered and to nominate the required representatives so that such recommendations may be submitted to the Board. Please make a special effort to attend this very important meeting.
