IT'S NEVER TOO LATE

Friday night at 9:00 p.m. in the Schreiber Arena this statement will be proved when a combined Office Staff hockey team will take on a "stacked" team from the Maintenance, Structural, Services and what-have-you, in a game of hockey. Respective coaches Joe Wig and Johnny Gross have made claims and counter-claims as to the merits (and de-merits) of their teams. Johnny won't divulge his strategy for that night but Joe, who is still trying for a 3 goal "spot", says the "Celery" boys will play "Kitty-bar-the-Door" style of hockey. With this strategy in mind Joe has Dave "Broda" McDonald in goal and no less than 14 defence-men lined up and Glen Baillie as stick-boy (he'll probably be moving fastest that night). We understand the losers are going to foot the bill for the ice as well as anything else they can be stuck for. Garrity's - maybe we got the name wrong - will be doing a thriving business both before and after the game. Why not come in that night and join the rooters!!!

BADMINTON NEWS

The club team will journey to Marathon on Sunday, February 4th, to play the 3rd tournament in the series. From all reports this should be the best yet! Terrace Bay is now in the lead and has retained possession of the H.B.C. Trophy from the start, but news has been received that both Marathon and Schreiber are really going to try to take it away from us. Are we going to let them? Standings to date in the NSBL are: Terrace Bay-29; Schreiber - 22; Marathon - 9. Any persons wishing to accompany the team are most welcome to do so.
