NSHL GAME

SATURDAY

The second game of the North Shore Hockey League semi-final play-offs between Terrace Bay "Rockets" and the Schreiber "Diesels" will be played at 8:30 p.m. on Saturday, February 17th, in the Schreiber Arena. These two clubs have been arch rivals for the past few seasons with Schreiber always seeming to have the edge. However, this year the Rockets have come up with their best team so far and on the games played this year the two teams are not one goal apart. Each time that they have met this season they have displayed a brand of hockey worth watching. While these two teams are battling it out to see which one will meet Marathon for the league title, the "Mercurys" are having a breather by virtue of their ending up in first place in the league standings. If a third game is necessary in the Terrace Bay - Schreiber series, it will be played on Tuesday night.

FLASH -

In one of the most thrilling games of the season, played last night, the Rockets lost 4-2 in overtime to the Diesels.

"No person shall park a vehicle on any street or part of a street, between the hours of 2:00 a.m. and 7:00 a.m. from November 1st to April 30th of each year.

No person shall park any vehicle of any kind in any of the following places in the Townsite of Terrace Bay.

1. Within an intersection.
2. Within 10 feet of a fire hydrant.
3. Within 20 feet of an intersection where busses take on or discharge passengers.
4. On any Street or Highway in such a manner as to obstruct traffic.

The members of the Provincial Police Force having jurisdiction within the Improvement District of Terrace Bay, shall enforce the provisions of the By-Law.

Penalties for violation have been provided."

The main reasons for the enactment of this By-Law being to enable the snow ploughs to get through all thoroughfares unobstructed when keeping them clear and also in the case of a fire, to enable the fire truck to manoeuvre without delay.

A copy of the By-Law may be seen at the Municipal Office at Terrace Bay.
