# USE EASTER SEALS

## HELP CRIPPLED CHILDREN

This week, the Kiwanis Club of Terrace Bay mailed just about 2000 letters to residents of Marathon, Schreiber, Rosspoint, Pays Platt and Terrace Bay. These letters concerned the current Easter Seal Campaign for funds for Crippled Children.

Throughout Ontario more than 200 Service Clubs are associated this year with the Ontario Society for Crippled Children in this appeal which is the Society's principal source of operating revenue. Funds raised are devoted entirely to Ontario's needy Crippled Children.

No other agency is duplicating the work of the Ontario Society for Crippled Children which has shared more than one million dollars with Ontario Service Clubs during the past four years in connection with Crippled Children's needs. The Easter Seal Campaign is the only annual public appeal of the society for funds which provide the youngsters with health, welfare, education, recreation and rehabilitation services.

In truth, the Service Club and the Society is a partnership sincerely devoted to -"THE CRIPPLED CHILD".

GIVE GENEROUSLY - EVERY EASTER SEAL USED IS A MESSAGE OF HOPE

## INTEREST IN EDUCATION

During Canadian Education Week, March 4th to 10th stress is laid on the relationship between Education and the Church, Home, School and the Community. Education is a community proposition that gives to all and demands from all. We all have a big stake and a big part to play in our educational system. The Church, for example, must share with the school and the home the task of awakening our young people to the importance of all that is highest and finest in life. The Home's place in education cannot be over-stressed. Every parent should realize that the beginning of school for a child is the beginning of a period in which teacher and parent are partners in shaping the all-round development of the child. Indeed, every element in our society has a vital interest in this matter that is everybody's business.

Education is Everybody's Business

## HOBBY SHOW

As part of the programme to be held at the School on Tuesday Evening, March 6th at 8:30 p.m., the Kiwanis Club of Terrace Bay will sponsor a Hobby Show. This event evoked considerable interest a year ago and there is every reason to believe that this year's show will in every respect be equal to that of a year ago. We hope that every citizen in the community will take this opportunity of seeing the display of the work of our Terrace Bay Hobbyists. SEE HOW OTHERS USE THEIR SPARE TIME. IT'S FREE!! IT'S EDUCATIONAL!! IT'S INTERESTING!!
