ATTENTION ALL TEN PIN LEAGUE BOWLERS

The team to represent Terrace Bay in the annual ten pin Invitation Tournament to be held here March 17th will be comprised of the five highest ten pin averages as of March the 11th.

The proceeds of the drawing presently being conducted by the local Ten Pin Association will be used to advantage in affiliating our ten pin league with the American Bowling Congress, in addition to having the alleys A.B.C., approved.

A portion of the receipts realized by this draw will also be used on helping defray expenses incurred in staging the 10 pin Invitation Tourney to be held here. The ABC representatives will also be here for the birth of the ABC in Terrace Bay on March 17th.

CURLERS WIN CHAPPLE'S TROPHY

Last Sunday afternoon, a goodly number of spectators were treated to some real fine curling games when Schreiber and Terrace Bay played for the Chapple's Challenge Trophy. All four games were very close but Terrace Bay managed to win 'em all, so once again the cup graces the club-rooms. Here's an oddity that occurred during these games that is worthy of note and that we hope will dispel the theory about "13" being unlucky. These four games played were won by the following scores: 13-11; 13-8; 13-8; and 13-12, if you add up the margins of victory you will find that they total "13" !!!

All curlers are reminded of the Bonspiel for this coming week-end starting on Friday night and continuing through Saturday and Sunday and climaxing with a bang up party at night. Give your names into any one of the following immediately: P. Boudreau, Ed Pineault, Thor Olsen, M. Craig, J. Garvin, R. Ostling, or Jack Johnston.
