

TAKE CARE WHEN DRIVING

With the very recent excessive snow-fall and iced road conditions under the snow, now is a good time to caution all drivers of cars and trucks to exercise the greatest possible care on the roads in the Townsite, the highway and the roads in both the South and North Camps. The Service Dept., has done a swell job in keeping the roads open so that we can get through and in so doing, the banks have reached an all time high. These banks cause a tremendous hazard, but for the time being there isn't anything that can be done about them, so please, when you approach an intersection of any kind why not try STOPPING -- LOOKING -- and LISTENING.

Here are a few excerpts from a statement by Highways Minister George Doucett that may help prove our point. "Traffic accidents in Ontario in 1950 took a toll of 792 lives. Property damage loss, estimated at over \$10 million. Sixty-three children between the ages of 5 and 14 were among those killed in the first 9 months. 34,000 accidents during the year and 15,000 injured, most accidents occurring during daylight. Nothing but a most determined effort backed by all can keep our losses down. We must reduce this awful, needless slaughter and waste due to traffic accidents". "Traffic safety is everybody's business" Mr. Doucett declared. Won't you all please cooperate?

GOOD NEWS FOR HOCKEY FANS

Local Hockey fans will have the opportunity of seeing two Thunder Bay District play-off games, this week-end when the Schreiber Diesels engage Fort William on Saturday night and Sunday afternoon in the Schreiber Arena. The Diesels are champs of the N.S.H.L., and retain possession of the Therrien Trophy for another year by virtue of their victory over Marathon in a best two of the series, having taken the first game 8-2, dropped the second one 4-3 and copping the last 2-1. A touch of local colour is expected to be added to these games by the acquisition of 2 players from the Terrace Bay "Rockets". This is a concession granted by the C.A.H.A., to bolster the winning team from this league by four players chosen from the eliminated teams. Two other players will be added from Marathon.

MINOR HOCKEY
