

TERRACE BAY KIWANIS "ROCKETTES" VICTORS IN BROOMBALL CONTEST

Playing a heads-up game last night in the Schreiber Arena, the local Kiwanis "Rockettes" downed the Schreiber Kinsmen 5 to 1 in a game of Broomball that was very reminiscent of Water Polo at times. The Kiwanians, playing their typical "Powerhouse" brand of B-Ball showed that the great amount of experience they have gained in the past two years of club competition is now paying off. (This game was their third in two years). Their less experienced rivals from Schreiber found it difficult to hold Paul Boudreau, Ray Williams & Co., to five goals. It is rumoured that the only team that has fallen victim to the Kinsmen team this year is the Kinettes Ladies' Auxiliary to the Kinsmen's Club. In other words, their competition has not been of the calibre to prepare them for the Kiwanis onslaught.

From Ed "Father" Cavanaugh (who is now playing his 84th year of organized B-Ball) right down to the Water Boy, the "Rockettes" showed power plus in their passing plays and broom-handling ability. (Ed. Note:- Rumour has it that if some of the Hudson's Bay Co.'s Pro-B-Ball team had not been imported along with some ex-major league All Stars from LongLac P & P Co., office, the Kiwanis "Rockettes" would have done little more than lick their lips, let alone lick the Kinsmen).

CURLING

During the last few days the weather man has more or less convinced us that another curling season has come and gone, of which the members of both Clubs took full advantage. The actual curling is over, but there still remains the highlight of the Curling Season: The annual Banquet which is slated for Saturday, April 21st and will be held in the dining room at Hotel Terrace. Further details will appear in next week's news.

The Curling Executive held a meeting on Saturday 24th at the Club House. Points of discussion were, the annual banquet, members dues, moving of the old laundry building and renovations to Club House, which will take place when the ice and snow have gone.

RED CROSS CAMPAIGN - "REPEAT SUCCESS"

As we go to Press returns show \$1,100.00, 10% over our objective of \$1,000.00, with still some to go. In nearly all departments, quotas set by the campaign chairman were exceeded. It is indeed gratifying to note that all who were approached gave so generously of their time, effort and money to make the campaign the success it is.

The campaign chairman takes this opportunity to thank, first of all the canvassers for their co-operative hard work, secondly all wage earners who contributed so generously to a good cause.
