ATTENTION MOTORISTS & TRUCK DRIVERS

The Provincial Police have advised that the provisions of the Highway Traffic Act are enforceable on roads generally open to the public. This means that roads within LongLac Company property including those leading to the south camp; mill; north camp and C.P.R. Station are subject to the Act and will be enforced.

All drivers should drive with care at all times and observe the rules of the road.

He must be continually alert to protect himself and his fellow workers from danger.

"It all adds up to the fact that safety is EVERYBODY'S job."
