VOLUNTEERS REQUIRED

Due to the difficulty of contacting personally all of those persons who wish to contribute some time and energy in connection with the project of tearing down Building T-58 which will be used for the new Community Church, an invitation is extended to anyone who is willing to help, to come out any evening at 6 p.m. In order to accommodate shift workers, a crew will be working almost every morning on the building. If possible, it would help if you would contact Mel Moore or Gordie Conway in advance and let them know when you are available. Mel and Gordie are supervising this work.
