### SOFTBALL ENTHUSIASTS

Now that the snow and ice is fast leaving us, it is time to think about a softball league for the summer months. Inasmuch as we have no active softball group to organize a league, we must start from scratch. Any persons interested in playing, coaching, managing or just plain hecklin' are asked to contact Murdo Campbell, Frank Whitfield or Ossie Dalzell. Or, if that is not convenient you might just put your name on a piece of paper and drop it into either one of the T.B. News boxes located at the Time Clocks and in the Bay. Some thought has been given to having an Inter-departmental league, or some similar set-up. However, before we can do anything on it at all, we must know how many people are interested and what your wishes are.

The advantage is in getting such insurance despite the fact
