TO MAKE AN IMPRESSION --

BUT IT DOESN'T PAY TO TAKE CHANCES

QUEEN OF THE MAY BALL

Several plans and ideas were discussed so as to arrive at a fair and impartial manner in which to choose the "Queen of the May Ball" and it was finally decided along these lines:-

Five (5) unknown judges, consisting of three men and two women (married and single species) will be appointed by the Dance Committee, and these judges will have the responsibility of making a unanimous choice between them. Precisely at 12 midnite their choice will be announced and the lucky lady will be crowned with all due pomp and ceremony. A mink coat and an all-expense one week trip to New York was ruled out in favour of something more useful(?). All we'll say now is that it is a lovely gift.

Dance patrons are reminded to hold onto their ticket stubs for the big \$25.00 Door Prize. And for those who still haven't won anything at this point they'll have a chance for the Spot Dance prizes scheduled for that evening.

A word to the wise would be in order now. All escorting gentlemen who have in mind a corsage for their lady are urged to place their order early so that the Lakehead florists will have the opportunity of making prompt delivery. The date is May 11th (Friday night) at the Rec. Hall with dancing getting underway at 10 p.m. to the titillating strains of Joe Adamo and his Northern Knights.

Tickets are \$2.00 per couple and the advance sale is now on. Mrs. Rita Cavanaugh (Dial 20) is in charge of tickets for the townsite and hubby "Joe" is covering the North Camp.

Make your plans now guys and gals to greet the true spring season at Terrace Bay by attending this gala May Ball. Dress is optional but we know the gals at least will want to wear their formal best on this occasion.
