

TERRACE BOWLERS SET NEW ALLEY RECORD

Some of the hottest bowling that has ever been seen on the Terrace Bay Alleys was witnessed last Friday nite when the Terrace Bay 5 pin All Stars met a picked team from Schreiber in a challenge match. In the 1st game, the All-Stars (whose combined averages are 986) amazed even themselves as they went way over their heads to put the match on ice by posting a score of 1353!!! This amounts to 270 (!!) average per man. That would be a whopping score even in a handicap league while in scratch bowling it's nothing short of phenomenal.

After that, things got back to normal and the final score ended up 3342 for Terrace Bay to 2976 for Schreiber. The Schreiber team never gave up and came through with a win in the last game, but the All-Stars' tremendous 1st game was just too much to overcome.

High man for Terrace was Howard Solly with 787, with Sax Lundberg right behind him with 783. High man for Schreiber was P. Leisander with 631, and H. Midkiff was 2nd with 603. The Schreiber boys kept pretty well together with all their scores 550 or better.

High games for Terrace Bay were 341 for Solly and 325 for Sax. High game for Schreiber was 238 for Midkiff.

The Terrace Bay Team was made up of J. Graham of the Wings, Peter Mazza of the Kakabekas, (he didn't write this story, honest) G. Morandin of Terrace Motors and those two Stellar anchor men, Solly of the Engineers and Sax of the Royals.

Schreiber fielded K. Nagasaka, J. Delis, J. Figliomini, H. Midkiff and P. Leisander.

LET'S KEEP THE SAFE DAYS GROWING

As we go to press, Longlac's consecutive safe day total stands at 122 (involving more than 440,000 safe man hours.) Our best record to date was established back in 1949 when the totals reached 130 days involving 470,000 man hours. It just about goes without saying that almost everyone is talking about bettering the old record and this can be done by everyone working safely until a week from Sunday at midnight (May 20th). And then if we stretch the safe day total until the following Friday morning (May 25th) our safe man hour level will pass the half-million mark, an objective we have been shooting at for almost two years.

With more than 600 employees on the Longlac payroll, it becomes increasingly important that we should all accept the fact that "SAFETY IS EVERYBODY'S BUSINESS"

BADMINTON TOURNEY SUNDAY AFTERNOON

A challenge tournament between the Lakehead clubs and the local badminton clubs will be held at the Terrace Bay Recreation Hall starting at 1:00 p.m. on Sunday, May 13.

An all star team from the NSBL has been selected to represent our district in what should be the best tourney of the year. From all reports our players are in for some very stiff opposition as the Lakehead teams can boast of a number of excellent players.

Play will last from 1:00 p.m. until approximately 6:00 p.m. when a buffet supper will be served to the players and any badminton players wishing to attend.

A cordial invitation is extended to all. There will be no admission fee charge to spectators.

--0--

NOTICE: All badminton players are asked to note that the 1950-51 badminton season will end on Sunday, May 13/51.
