

COMING SOON!!THE TERRACE BAY GOLF RANGE

Work has begun on Terrace Bay's newest and most novel form of recreation - A Golf Driving Range.

Considerable interest and enthusiasm in this endeavour has been shown and should prove to be one of our most popular summer activities.

You don't have to be a golfer to enjoy the Golf Range. Everyone, young and old, can play. Clubs and golf balls will be available for rental at a small fee, which will make it an extremely inexpensive way for all to get some healthy out-of-doors exercise. And you don't have to chase those elusive little pills either - just smack 'em out and attendants will find 'em for you.

Watch your "Terrace Bay News" for further developments and the all-important opening date.

Any of our good people who have one or any number of golf balls (in any shape) lying around the house, and wish to part with them for a good cause, please contact Paul Boudreau of the Terrace Bay Golf Range Committee at Local 40, and he will make you a fair offer for them. Condition of the balls will, of course, determine the price you will be offered.

CORRECTION

An item appeared in the April 26th issue of the "News" to the effect that the Recreation Hall would be available to all local organizations for one night each year when no rental would be charged. Added to this should have been wording indicating that "any event sponsored on these nights would have to be of a non-profit nature in order to qualify".

SILVER BIRCH CHAPTER

The regular monthly meeting of Silver Birch Chapter 264 U.D. was held on Monday, May 14th with Mima Moore, Worthy Matron presiding.

After the regular business was transacted, plans were discussed for the Inspection on June 30th and the Constitution on Oct. 9th.

A delicious lunch was served after the meeting closed with the Terrace Bay ladies acting as hostesses.

A walk-in tea will be held at the home of Mrs. Harry Goodfellow, 129 Poplar Crescent, on May 29th from 8 p.m. to 10 p.m. Tea tickets will be available from members of the Chapter for the door prize of a Petit Point Picture.

DANGER OF FOREST FIRES

We are rapidly approaching the season when we must take extreme caution to prevent forest fires. Along with this warning comes advice that an open fire was discovered near Terrace Beach while a strong wind was blowing off the Lake. It is reported that the lads who started it were very polite and obedient when asked to distinguish the fire they had lit, which proves that they didn't realize the danger. The co-operation of all parents is requested in this respect in order that the children should realize how tragic a forest fire can be.

FIREWORKS DISPLAY SET FOR MAY 24th

Once again this year, the Recreation Committee will sponsor a Monster Fireworks Display on Victoria Day. This will be staged at the Swimming Pool site at the Hydro Dam so as to permit the launching of Sky Rockets in a comparatively safe area. Those who will be driving cars are asked to make sure that they don't make the trip with an empty car, as there will be lots of children looking for a drive out to see the display.
