The photographs taken by Len Swirhun are being developed at the Lakehead now and when ready a notice will appear in the Terrace Bay News. The original prints and negatives will be available at the home of Mrs. Mary Clare Kennedy, 103 Hudson Drive. These are being released for the nominal sum of 35¢ which is the actual cost of taking and developing the one picture.

A hearty note of congratulation is in order for Miss Mart Brown, General Convenor for the Baby Show, as well as her most efficient committee who attended to the many details toward the success of the Show. To thank each one individually would be a lengthy task but it must be generally agreed that the Judges come in for much deserving praise for their time and effort voluntarily contributed and without which the show would not have enjoyed the success it has. St. Martin's Club, sponsors of the show, are to be congratulated on their initiative and foresight in sponsoring an event of interest to the entire community.
