LARGEST CIRCULATION IN TERRACE BAY

June 21, 1951.

VARIETY SHOW TONITE

Tonight's the night, at the Recreation Hall, starting time is set for 8:30 p.m. Frank Bouchard and his troupe of highly talented musicians will stage their Variety Show and Dance. The performers in this show are all professional Edmonton artists who specialize in Magic - Pantomime and Comedy. Parts of the programme will feature Scandinavian Songs and Music. Musical selections include the "Blue Danube", "Skaters' Waltz", several Ukrainian folk dance melodies and some of the fastest fiddlin' tunes you ever heard. The Show starts at 8:30 with the Dance to follow. Admission to the Show is .65¢ for adults and .25¢ for children. Dance admission is .75¢ per person. A combination ticket for \$1.15 permits admission to both Show and Dance.

TERRACE BAY FIRE DEPARTMENT

As we are now half way through the year 1951, let's look at our fire record. We have had only 5 very small fires with no loss at any of them. Fires can be prevented if we try, but let's not say, "Well, we only have small fires, never any big ones". Remember, all fires are small at the start and if we all do our part in the next 6 months, we can go all out for no fires in the last half of 1951.

PHYSICIANS' SERVICES INCORPORATED PLAN AVAILABLE

Over a million Canadians are now participating in prepaid medical plans which are becoming more and more popular. It is the modern way of facing up to an expense which confronts everyone at some time or another, that of Doctor's and Surgeon's bills.

Recognizing the need for a medical plan to cover families of the LongLac Company, Committees have been working in collaboration with the Management for some time and are now ready to present the Physician's Services Incorporated plan. You may have read lately in the newspapers about the Medical Associations' Trans-Canada proposal which is to integrate the foremost plans which are operating in various provinces. The service mentioned for Ontario was Physicians' Services Incorporated.

Within a day or two, LongLac employees will be receiving by mail, information covering the plan; what it covers and the cost. It is suggested that you and your family, if you have one, carefully consider the benefit which such a plan can be to you.

In common with all group insurance plans operating on lower rates because of a large group coverage, 75% of those in the employee group must join or the Plan cannot be instituted here.

So don't delay - turn your application card in as soon as possible. Employees of our Company will want to be in step with thousands of others who have the benefit of prepaid, non-profit medical plans.
