LARGEST CIRCULATION IN TERRACE BAY

July 5, 1951.

DOMINION DAY SAFETY CELEBRATION SUCCESSFUL

The big Dominion Day Celebration staged here at Terrace Bay last Monday by the local Accident Prevention Committee was an unqualified success from all reports. Even the weatherman played into our hands and despite a fairly heavy noon shower, there was no interruption of scheduled events from the start of the bait casting and golf driving contests in the morning until the end of the street dance.

A hearty note of thanks is certainly in order for the many who gave so generously of their time to run the various events and hand out the treats and refreshments. No one attempted to keep track of the winners in the non-profit bingo which saw almost \$400.00 worth of prizes distributed, but prize winners in other events were as follows:

Golf Driving Contest

P.S.I., BECOMES EFFECTIVE AUGUST 15TH

Employees will be pleased to learn that the Physicians' Services Incorporated medical plan will go into effect on August 15th. It is encouraging to note that over 80% of our employees applied for membership in this plan that will give adequate protection to employees and their families.

It should be noted that any present permanent employees who have not completed applications will be obliged to wait until February 15th, 1952 before they can be accepted into the plan. Any new permanent employees coming onto the payroll or any temporary employees now on the payroll who are transferred later to the permanent staff, can be accepted after **thirty** days..

The present local doctor's medical plan will be discontinued when the new plan becomes effective.

PUBLIC NOTICE FROM THE HYDRO-ELECTRIC POWER COMMISSION OF ONTARIO.

Recently, two men picking up wind-falls for fuel along Highway No. 17, between Terrace Bay and Schreiber, felled a dead tree onto the 12,500 volt line, interrupting service to Terrace Bay, Rossport and Schreiber.

These men may consider themselves extremely fortunate that they weren't severely burned or possibly killed.

The co-operation of local citizens in reporting incidents of this kind promptly to the OPERATORS AT AGUASABON G.S. would greatly assist in restoring service to customers.
