LARGEST CIRCULATION IN TERRACE BAY

July 12, 1951.

SOFTBALL AND BASEBALL

Scores for this past week's games are as follows: July 5th - Engineering 15, Townsite 1; July 8th - Schreiber 28, Engineering 18; July 9th - Salaried 7, Engineering 5. The League leadership is now held by the Salaried squad who have chalked up 2 victories in their last 3 outings. Townsite and Schreiber are tied for second place with a win and a loss each, with the Engineering gang holding the bottom rung.

Tonight's game will be between Townsite and Schreiber and will be played at the school diamond. Starting time is set for 6:30 sharp. The three local teams look pretty natty these days, all decked out in their new sweaters.

On Sunday, the Salaried team will journey into Schreiber for a regular scheduled game.

The Terrace Bay Baseball team won a dandy ball game on Tuesday night when they defeated Schreiber 5-4. Going into the last half of the seventh, the local lads were trailing 4-3. However, with some smart work at the plate and on the bases, the boys were able to tie it up and when Doug Gow came to bat and smashed out a clean single with two men on base, the ball game was all over; Batteries were: Terrace Bay - Borsum and Schritt; Schreiber - Ross and Fleming.
