During the past week, the Terrace Bay and Schreiber Baseball teams have engaged in 2 games, one in Schreiber which the hosts

won by a score of 7-5 last Sunday.

However, last night's game in Terrace Bay was a different story when our lads copped that one by a score of 6-2. The visitors got 2 runs in the first inning but were held scoreless for the balance of the game as the locals played heads-up ball all the way. Terrace Bay got one run in each of the second and third innings and coming into the bottom half of the fifth with the first batters being retired in order, the boys suddenly came to life to score 3 runs. Pluta, Keeley, Borsum and Cavanaugh came up with successive hits to sound the death toll for B. Ross on the mound for the visitors. Coming to bat again in the last half of the sixth, Baldwin scored on a double by Gillis to sew up the victory.

It is with deep regret that we record the untimely death of Mrs. I. Parent of Schreiber, mother of Johnny Parent, a member of the Engineering Dept., and Arthur Parent, a member of the Jackladder crew. Mrs. Parent will be well remembered by various members of the Mill Staff who were well received by the deceased many times in Jackfish.

The "News" joins with Johnny Maurstad's friends in expressing deepest sympathy to Johnny on the loss of his mother who resided in Port Arthur.

Sad news has just been received in the death of Ralph H. Kehl, Director of the Industrial Relations Department of the Kimberly Clark Corp., Neenah, who was reported as being killed in an automobile accident last night. Many members of the LongLac organization will no doubt remember having met Ralph during his visits to Terrace Bay. This is a great loss to the Corporation.
