

AROUND THE TOWN

It's a pleasure to welcome Mrs. Norma Crockford, nee Goodmurphy, back to the grind in the Steno Pool after having enjoyed a Honeymoon at points East.

- - - -

Good to see Ken Weppler back at his desk in the Pay Office and giving the good word to all that his good wife Kay is well on the road to recovery in hospital at the Lakehead.

- - - -

Mrs. Anne Demas, nee Sheehan, doing a spot of vacation relief work at her old stamping grounds in the Steno Pool.

- - - -

Quite a few more "short term" bachelors in action in the kitchens these days. Jim Rowley, Bill Louk, Reg Cotton, Scott Mann, Bill Borsum, Jimmy Wilson and Ken Turner, all giving the can-openers a real goin' over.

- - - -

Anyone wanting to have any bear cubs disposed of, if they are having trouble with their garbage cans, may call on Harris Haughn, the big game hunter deluxe, who now has two to his credit. Harris says that he owes his success to the many happy hours spent practising in the Rifle Range.

- - - -

That dandy water-chute you see over at the swimming pool is a product of the perserverance of Bob Rickard of the Electricians Crew. While Bob didn't do everything himself, the finished product is most certainly due to his untiring efforts. It is hoped that we can have it assembled and in use for the kids within the next few days.

- - - -

Parents will be pleased to learn that arrangements have been completed whereby the Kiwanis Wading Pool in the Townsite will be serviced at short intervals from now on so as to assure clean water for the wee tots. It is requested that the parents and adults help all they can to see that the best use of this pool is made for the smaller children, whom it was primarily constructed for.

- - - -

Nice to note the change in appearance of our town with the completion of painting on a good number of houses, plus the construction of a number of sidewalks and partial completion of a good section of landscaping.

- - - -

Initial stages of construction of the new Community Church well in hand by the Contractors.

- - - -

AROUND THE TOWN

The construction of the new hospital well into the advanced stages and the excellent progress being made in the new subdivision houses is certainly worthwhile going down for a look-see.

- - - -

Looks as though the long-awaited opening of the new Post Office may take place shortly.

DANCE ON FRIDAY, JULY 27th

This will really be the dance you've been waiting for. You'll have an opportunity to swing your partner, do-si-do or allemande, or a good old fashioned waltz. If those don't suit your taste, there'll be fox-trots and swing music as well. Now, ain't that some variety to chose from and all for \$1.50 per couple or .75¢ single. You can't beat that for a bargain. Bill Zaroski and his Harmony Boys from Fort William will be here for the occasion and we have been assured of a swell evening's entertainment. No advance sale of tickets is being made—admission by ticket sale at the door only.

CALLING ALL CURLERS

The attention of all Curlers is directed to the fact that there will be a work party required at the Rink next Wednesday night at 6:30 p.m. The old Laundry Building has been moved into position adjacent to the rink. However, there are a few hours' work left to be done, such as jacking, blocking, shovelling, etc., before the interior alterations can be started.

To date, the response for workers has been most heart-warming and the Executive would like to thank one and all for their splendid co-operation and hope that it will continue until this project has been completed.

Make a note of it now while you think of it. PLACE - Curling Rink DATE - Wed., July 25th TIME - 6:30 p.m. DRESS - Old clothes.
