DANCE FRIDAY TO HARMONY BOYS

Bill Zaroski and his Harmony Boys from Fort William will be with us again tomorrow night for another of those enjoyable evenings of dancing. Last time Bill and the Boys were here, all of those people who attended wanted to know when they would be back for a return engagement. This is a really versatile group of musicians who can play almost any type of number that is requested, including Schottiches, Square Dances and Polkas. In addition to which, Mary Slater does the vocals while taking care of the piano duties.

The prices remain the same, a real bargain at .75 per person. These dances are sponsored by your Recreation Committee. Let's support them!
