

Are you starting to worry about purchasing Christmas Cards this year? Let the Boy Scouts worry for you. These boys will make a house to house canvas of the Townsite this week and will have a complete display of cards at very reasonable prices. The money raised from the sale of these cards will go towards expenses of their Summer Camp. Please help them.

#### CREDIT UNION NEWS

The Credit Union is operated by a Board of Directors with a bonded Manager appointed to handle the funds. Loans are made after a Credit Committee has approved same and has defined the necessary security and terms of repayment. The interests of the members are protected by a Supervisory Committee which is responsible directly to the members and which not only audits the books but sees that the provisions of the Act, and of the Certificate of Incorporation are complied with. The Manager, usually a part time official, is available at regular times to accept deposits and loan repayments and to pay out withdrawals and loans.

Application for the incorporation of a Credit Union is by Memorandum of Association signed by at least twenty persons capable of contracting. Certificates of Incorporation are issued by the Minister of Agriculture.

Anyone with repayments on loans or deposits for share capital may do so by completing the deposit slip in their pass book and enclosing the amount of money they wish to deposit. Then drop your pass book in the Credit Union Deposit Box at the Mill Time Clocks.

#### BIRTHS

Congratulations this week go to: Mr. and Mrs. Ossie Dalzell who now have a second daughter as of Sunday, October 7th. Mr. and Mrs. Jim Duncan on the birth of a daughter on Saturday, October 6th.

When approached, duly congratulated and asked where the cigars were, Jim Duncan's classic reply was: "Heck, man, at my age I should be receiving 'em, not handing 'em out." Well said, Jeems!

Congratulations also to Mr. & Mrs. George Dashkewytch on the arrival of a son on Friday, October 5th.

#### SPEEDING

Provincial traffic laws provide a maximum speed within towns of 30 miles per hour and require motorists to slow down to 15 miles per hour at intersections. With the many intersections in the town this means that if drivers observe the law they will be travelling at a safe speed.

With the large number of young children in our town it is imperative that all drivers observe great caution if accidents are to be avoided.

The police are determined to keep the streets free from careless and fast drivers and anyone who drives to the public danger may expect to suffer the full penalty of the law.

#### HALLOWE'EN MASQUERADE DANCE

Don't forget folks, Friday, October 26th is the night of the big dance in the Recreation Hall. Now is the time to get those old costumes out and see how they look. It doesn't matter if you come as a Clown or a King, but be sure to join in the fun by dressing up in a costume. There will be prizes for the best costumes.

Watch the "News" for more details, and start preparing now for this big event. Everyone is sure to enjoy the entire evening.
