APPLE DAY SATURDAY

"An Apple a Day Keeps the Doctor Away." That's an old adage for sure - but there's still more truth than poetry in it. On Saturday, October 20th, (that's this coming Saturday) when the boys stop or call at your house to sell you an apple, that thought isn't exactly the thought that they'll have in mind. What they'll be thinking will in all probability sound more like this - "Gee, I hope you buy an apple from me, 'cause if you do, whatever contributions you care to make in payment for it will sure help out in paying for the expenses of our winter's programme and help pay the bills that will be coming in for our Summer Camp next year."

So please folks, remember that little thought on Saturday. Maybe you'll be approached in the Locker Room at the Mill or somewhere in the Townsite, or maybe one of the Cubs will call at your house. Wherever it may be, just remember to buy an Apple from the Cubs and Scouts.
