LARGEST CIRCULATION IN TERRACE BAY

October 25, 1951.

HALLOWE'EN DANCE FRIDAY

Dancing to the melodious strains of the Northern Knights is on order for this Friday evening at the Recreation Hall, commencing at 10:00 p.m. and lasting right through till 2:00 a.m.

Prizes for best Female and Male Costumes will be given away and another special prize will be hidden in one of the many balloons that will be released from the ceiling at midnite.

For those of you who won't be dressing up, the Dance Committee have lined up a supply of Masks and Hallowe'en Hats which will be available at the door for the nominal sum of 25¢. Also included are Noisemakers in the form of Blowouts which will be given away free to everyone.

With the Hall suitably decorated in a true Hallowe'en atmosphere dance patrons are assured of a gay evening. And tickets are only \$1.50 per couple - so make up your party now and plan to attend this gala evening.

The Boy Scouts will provide checking service and will dispense soft drinks during the dance.

FIRE PREVENTION

Here's an item of interest to parents. A surprise Fire Drill was held in the school on Friday, October 12th, when the entire school was evacuated in exactly 58 seconds. The Fire Dept. considers that this was very well done and speaks highly of the Principal and the Staff for being on their toes.

Winners of the recent Fire Prevention Week contest puzzle were: 1st - Mrs. Doris MacKay; 2nd - Mrs. Wilf Mallais and 3rd - Mrs. R. Scowen.

KIWANIS HALLOWE'EN PARTY

Plans have been completed and all is in readiness for the big Kiwanis Kiddies' Hallowe'en Party. The children are asked to meet on the roadway in front of the Shopping Centre at 7:00 p.m. on Wednesday. From there they will parade to the Recreation Hall where a programme of games, movies, etc., will be conducted. A contest will be held for the best costumes for both boys and girls, with prizes going to the winners. So don't forget kids, come in costume.

In case of rain, a request is made to parents with cars to help out by bringing as many children as possible to the Recreation Hall not later than 7:30 p.m. Arrangements have been made to transport the smaller children back home after the party. That is, for those whose parents don't have cars.

A new attraction this year will be a Treasure Hunt for all school children throughout the Townsite. Maps will be distributed at the school at 4:00 on Wednesday. Parents are warned that this Treasure Hunt may be a bit rough on the children's clothes.

As the Kiwanis Club members are making a real effort to make this evening a real success, we would request that the parents ask their children to refrain from going from door-to-door and direct all children to the Recreation Hall for their treats.
