Townsite	4	3	9	4

- - -

Did you get your tickets yet? An exhibition of 5-Pin bowling will be given on Alleys 3 & 4 at 9:00 p.m. on Monday, Oct. 29th by Joe "Fireball" Heenan, more commonly known as the "400 Kid". The members of the Overheads, Messrs. Borsum, Porter, Rowlandson, McColl, etc., are handling ticket sales for this extravaganza. (They should know how it feels to watch, it happened to them last week.) Advance sales for this special piece of entertainment will close at midnight Sunday. As there is limited space back of the alleys, all persons are advised to get your orders in early. Standing Room Only tickets will go on sale at noon on Monday.

WOMEN'S INSTITUTE

The Women's Institute held their Regular Monthly meeting on October 18th at the home of Mrs. W. Baillie.

The President, Mrs. I. Bryans, presided over the meeting. Two donations were sent, one to the Institute for the Blind Building Fund and one to an Overseas "Tractor Fund".

Mrs. Goodfellow gave a very interesting report on the Rainy River Convention, which she attended.

Will all members please take notice that our meetings will be held on the third Wednesday instead of the third Thursday of each month. We hope to see a full attendance at our next meeting, on November 21st, both old and new members.

A Bake Sale is being planned for the 10th of November.

Watch the "News" for more news of the Bake Sale and reports of our meetings.

STORK CLUB

Congratulations this week go to the following proud parents who now have one more mouth to feed: Mr. & Mrs. Fred Gould - a son on October 21st and Mr. & Mrs. Paul Coupal - a daughter on October 24th.

EVERYONE HAS SOMETHING TO SAVE FOR

Arrangements have been made for the 5th consecutive year whereby LongLac employees may purchase Canada Savings Bonds on a Payroll Savings Plan.

This year, Canada Savings Bonds are better than ever. The interest rate is higher (3.21% per annum during the life of the bonds which is 10 years and 9 months) and bonds may be cashed at any bank in Canada at any time at full face value plus interest.

"Everyone has something to save for" and in addition to this fact Canada now needs more dollars than ever for defence purposes.

Plans call for contacting every Long Lac employee during the next week. We would definitely like to wind up the campaign by November 1st.

Canvassers in the various departments throughout the project are:

Wood Handling - Wm. Pidluzney, Vic Timpano, Joe Desaulniers and Pete Diduch.

Pulp Conversion - Frank Whitfield and Frank Sechesky.

Engineering - Steam - Bill Cavanaugh; Buildings and Grounds - Bill Smith and Don Laporte; Electrical - Ted McInnes; Pipefitters - Jim Duncan; Structural - Frank Woodruff; Mechanical - Gordon Kydd; Engineering Office - Verl Thompson.

Service Operations - Dave McDonald, Alex MacDonald and Gordon Paget.

Administration Office - Hugh Boudreau and Earl Veitch.

Miscellaneous Units - Technical - Harvey McCanna; Hospital - Geraldine McCool; Hotel - Clarence Buck.

Campaign Chairman - Fred Soughton.
