

A NOTE RE SUN LIFE SUPPLEMENTARY PENSION PLAN

Saul Ross is pleased to announce that Bert Anderson will be assisting in contacting of mill personnel re the various Sun Life plans available. Bert Anderson is well known to many of us in Terrace Bay through his connection as President of Thunder Bay Amateur Hockey Association and Chairman of Board of Directors of Fort William Gardens.

In his capacity as District Supervisor for Sun Life Assurance Company, Bert will be making continuous contacts in the mill, department by department. As Saul Ross did in the past, so Bert Anderson will continue to leave information as to his whereabouts with the Operating Personnel Man.

You can take advantage of this safe method of securing your future by simply authorizing the Company to make the desired premium deduction from your pay when you have been accepted by the Sun Life.

The bride, white of hair, is stooped over her cane.

Her footsteps, uncertain, need guiding,
While down the church aisle, with a wan toothless smile,

The groom in a wheel chair comes riding.
And who is this elderly couple, thus wed?

You'll find when you've closely explored it,
That here is that rare, most conservative pair,

Who waited till they could afford it!
