TEN PIN BOWLING

CHECKYRYN'S ROYALS ARE 10-PIN WARM UP SERIES CHAMPS

The Royals managed to slip in as 10-Pin League warm up series champs by just barely edging out 3 wins for 4 points against the 2nd place Engineers. (Second place up until last night that is.) Going into the last night 4 points ahead of the pack, the Royals needed one point to cinch things and they got that in the 1st game when they eked out a win with a 112 pin margin. The other games were somewhat closer, but the final result showed the Royals well out in front.

For the second straight week records fell all over the place as honour counts of the evening went to Sechesky. He blasted a new high game record for the season of 244 and a new record series of 656 as he lead his Orioles to third place with a new record series of 2255. High team game was that 1st game of the Royals with 793. Team

scores are for best 4 scores out of five bowled.
