## ANNUAL XMAS TURKEY BINGO

Sponsored by the St. Martin's Club, this will get underway at 8 PM on Monday evening, December 10th in the Church Basement.

A good plump variety of "Birds" will be available to the lucky winners, with average weight being around 10lbs. A feature of this year's bingo is that the turkeys will not be distributed on December 10th, but will be kept in a frozen state until the 15th or thereabouts so that turkey winners will be assured of having theirs fresh and unspoiled for Xmas. A claim check only will be given to each Bingo winner - so plan now to attend and keep this date open - Monday, December 10th.
