MORE LIMERICK CONTEST NEWS

Last week, a brief note in the "News" drew attention to the fact that a limerick contest, designed to extend our accident prevention efforts beyond the mill would get underway shortly. Present plans call for running a limerick contest each month for the next six months commencing December 1st. Rules which will govern the contest are as follows:

1. All you have to do is fill in the last line of a limerick.
2. Everyone working for LongLac Pulp and Paper Co. Ltd. their immediate families and all other Terrace Bay residents are eligible to enter.
3. The limerick contest for any given month ends on the last day of each calendar month.
4. As the limericks have been used previously by the National Safety Council, prize winning lines announced in any National Safety Council publication will not be considered in this Terrace Bay Contest.
5. Prizes each month will be: 1st - \$5.00, 2nd, - \$2.00, 3rd. - \$1.00.

TERRACE BAY COMMUNITY CREDIT UNION NEWS

We have drifted slightly from our questions and answers in the last couple of articles but as it was information that we felt should be made known to the general public, we will now continue on with the questions and answers.

Question: "How does a Credit Union differ from a bank?"

Answer: It promotes thrift by requiring its members to save small amounts at regular intervals. This the bank cannot do. A credit union is controlled by its members; each member has only one vote no matter how much money he has. A credit union has no elaborate offices or furniture, no high paid officials. Loans can be made only to members of the credit union.

Question: "Does a Credit Union need a license to operate?"

Answer: All Ontario Credit Unions are required to be chartered by the Provincial Government. They operate under the jurisdiction of the Minister of Agriculture. Charters are granted on the recommendations of the Supervisor of Credit Unions.

One point that I have neglected to bring out and that is that the Local Credit Union is a Community Credit Union, therefore any resident of Terrace Bay or within a radius of five miles of Terrace Bay or is an employee of LongLac Pulp and Paper C. Ltd. regardless of place of residence may become a member. Also, anyone regardless of race, color, creed or place of employment, so long as he or she resides within five miles of Terrace Bay may become a member of Terrace Bay Community Credit Union by obtaining an application card, then fill in and hand it to anyone of the Directors along with .25¢ membership fee.

Not for Charity, Not for Profit, but for Service.
