GUNNERS' COLUMNDO YOU KNOW THAT:

The local Reserve Army Unit needs forty-five or fifty men at once?

There will be a vehicle at the North Camp Snack Bar at 7:00 p.m. tonight to pick up members and those wishing to enlist; and return them to camp afterwards?

Serving in the Reserve is an interesting way to spend a couple of evenings each week?

A large percentage of N.C.O.'s and Officers will be chosen from the Reservists for an Active Army in case of War?

YOU should be ready to protect our way of life if necessary?

By joining a Reserve Artillery Unit you become eligible for trips to the West Coast, lots of fun on our rifle range, pleasant evenings with the boys, training on various subjects useful in civilian life and participation in many recreational activities?

These things and many more go to make our Reserve Army evenings very enjoyable. You will be warmly welcomed on any Tuesday or Thursday evening.
