

MARSH & LINDSKOOG HIT BIG COUNTS IN 10-PINS

For the 2nd successive week Harold Marsh pounded out a whopping score in the 10-pin bowling league as he hit the high game of the evening of evening of 227. His efforts were somewhat in vain however, as the Warehouse dropped all 4 points. Al Lindskoog knocked out the high series for the evening with a 614 total as the Engineers took honours with high game of 897 and high series of 2628.

Please note: The Ten Pin executive would like to call the attention of all bowlers and especially team captains to the rule requiring all bowlers to bowl before 11 o'clock Wednesday night if their scores are to count for the week's bowling. Lately the teams have been somewhat lax on this point and as the series is close all bowlers are interested in finding out their standings on the night they bowl. This should be taken as fair warning that starting next Wednesday, the rule will be strictly enforced. Bowlers may bowl ahead of time but all scores must be in by bowling night and from now on the scores will be totaled on that night and points awarded accordingly.

"My!" said an admiring neighbor, "I'm glad to hear that your son is on the college football team. What position does he play?"

"I'm not sure," answered the proud mother, "but I think he said he is one of the drawbacks."

HOCKEY PLAYERS GET IN SHAPE

While we have been awaiting the arrival of ice in the Schreiber Arena, the potential members of our entry in the North Shore Hockey League are letting no grass grow under their feet, in terms of physical condition, that is. Approximately 3 times per week the boys have been meeting in the Recreation Hall, Teen Town or the Armouries, depending on which is available, and are put through their paces by Eric Siiling, who has been rapidly rounding them into shape. This year, when the boys hit the ice, they won't have to stop at centre ice to get their second breath. This alone should make a difference in the number of goals scored by our team this year.

Word has just been received that our first practice is in the Schreiber Arena at 9:00 p.m. tomorrow night (Friday, December 14th). According to Coach Jim Cumming, this practice will take the form of a light skating work-out. All persons wishing to try out for the team are asked to be on hand.

Terrace Bay's first game is scheduled in Marathon for next Sunday, December 23rd.
