KIWANIS ANNOUNCES BORSUM, LAVENDER AND NELSON AS OFFICERS FOR '52

The Terrace Bay Kiwanis Club has announced their slate of officers for 1952 as Bill Borsum - President, Reverend Arthur Lavender - Vice President and Meredith Nelson - Secretary Treasurer.

The Executive Committee consists of Al McColl, Dr. Jack Ridge, Glen Lumbers, Monty Paget, Dr. "Mike" McCausland, Jack Wellings, Bob Sheppard and Clarence Smith.

"Plans are being laid for the biggest and best year yet," declared president Bill last Tuesday night at the regular meeting. "The executive committee is working hard on the projects for this year and they promise to be even better than last year."

The theme this year for Kiwanis International is "LIBERTY - Let's keep it!" Item No. 1 is strengthen our moral fiber through home, church and school and in line with this the Terrace Club is planning an all out effort to promote several "Go to Church" Sundays. On these Sundays an all out effort is planned to get every possible person to church. And it is hoped that in between times regular church going will become a permanent habit for everyone.

Other projects in the planning stage are the Annual Kiddies' Ice Karnival in late February, the Fort William Male Choir Concert in May and a new and different type of tea and bake sale in April. No hobby show is planned for this year as little interest has been shown in this event of late. As soon as details of these and the remainder of the projects for the year are completed, information on them will be released.
