

ICE CHIPS

During this past week, the Intermediate Rockets have had their ups and downs. On Thursday, January 31st, they dropped one to the Schreiber Diesels by a score of 9 to 4. In an exhibition tilt with Chapleau Wolves, at Chapleau, they came out on the short end of an 8 to 1 count. But the trip must have done them a lot of good, because on Tuesday, February 5th, they turned in their best game of the season to down the Nipigon Flyers by a 4-1 score and immediately put themselves back in the race for the Therrien Trophy. Goals in this game were scored by Legault, Diduch, Holancin and Cavanaugh. At the time of going to press, the local lads are four points behind the 3rd place Flyers, but have the advantage of having two games in hand. By playing the same calibre of hockey that they displayed on Tuesday and by getting a couple of breaks it is not an impossibility that the Rockets can clinch that 3rd play-off spot.

This week-end, they travel to Marathon for two games, one with Marathon on Saturday night and one on Sunday afternoon with the White River Eagles. Anyone wishing to go down for either or both of these games is asked to contact Harold Marsh or Jim Cummings for tickets available at a reduced rate. Be a sport support your team! Other scores for the past week were:

Saturday, Feb. 2nd

Marathon 5 Schreiber 4
