LARGEST CIRCULATION IN TERRACE BAY

February 14, 1952.

# INVITATIONAL BONSPIEL SET FOR THIS WEEK-END

Terrace Bay Curling Club plays host over the week-end to the North Shore in its annual invitational bonspiel. An outstanding array of rinks has registered from all along the North Shore and they will be descending upon our city starting Friday evening. Our old rivals, Marathon, will have two rinks in competition, along with two from Schreiber, Rosspoint one, Nipigon one, Red Rock one, and Beardmore one. The balance of the draw will be made up of eight local rinks.

Originally the first rocks were scheduled to be thrown at 7:00 p.m. Friday, but out of respect of the memory of our late sovereign, King George VI, there will be no matches scheduled for Friday. Hence, the take-off time was set forward to 12:01 Saturday morning. Knowing the habits of junketing curlers, as we do, no one is going to lose any sleep that they wouldn't have lost anyway.

Terrace Bay will put some very tough rinks together to meet the onslaught -- successfully, we hope. They will be skipped by Sinkins, Olsen, Farrow, Pineault, Wellings, Cline, Lohr and Monteith. These boys are lining up the best available talent behind them, and we have our full quota of steady thirds, seconds, plus a good crop of freshmen coming up. We are sorry to say that our favourite villain of the local ice, Rune Ostling, wasn't able to enter because of his shift.
