

PEE WEE HOCKEYHawks & Canadiens Tied For First Place In Battle for Cowboy Young Trophy.

During the past weeks' play each of the three teams picked up a point or two as Canadiens and Hawks tied 1-all on Friday afternoon and Hawks and Leafs played a scoreless tie on Monday afternoon.

In Friday's game Canucks went one up in the second period when Dave McDonald, Jr. blasted one through Hawks new netminder Doug Craig. However, Joe Marcella came hurtling through the Canadian defence midway through the third period, was dumped nicely but went on to score from a sitting position. Final score: - Canucks 1 - Hawks 1. Monday at 4 p.m. Leafs and Hawks battled through 30 scoreless minutes of the best hockey played this year. Hawks front line of Leblanc, Wig and Harvey carried the play to Canadiens whenever they hit the ice but proved rather ineffective around the net. Coach Sheppard says he intends to correct this at their regular Wednesday practice session "or else". Final score: - Leafs 0 - Hawks 0.

Manager Wig of the Leafs and Coach, Manager, referee, Nelson Allen of the Canadiens have just completed a three way player deal with the top brass of the local Bantam aggregation. Coach Adamo of the Bantams has released Raoul "the Rebel" Mousseau to the Leaf organization and Jimmy "the leaf" Erickson to the Canadiens, for undisclosed sums and player exchanges and agreements. It is rumoured that 6 new Pontiac "chieftains" were involved in the deal and that an automatic call back clause has been inserted in the contract. It looks like the Bantam Brass are mildly impressed with the calibre of the ivory being displayed on the local outdoor arena by the "Pee Wees" and are attempting to assure themselves that none of it goes astray.

The Hawks picked up a new defenceman in "Johnny" Hamilton, who, it is expected will bolster the Hawks blue line guardians no end. Hawks and Leafs will again try to play an unplayed game this Saturday morning at 10:00 a.m. All players involved please note.

CABARET POSTPONED

Since Friday, February 15th has been proclaimed a day of mourning in respect to our late Sovereign, King George VI, the Valentine Cabaret Committee of the Terrace Bay Hockey Club has decided to stay the Fifth Annual Event to Friday, February 22nd.

This extension will also accord the Committee further time to offer you the "best Cabaret ever".

Admission tickets at Three Dollars per couple are now available from Glenna Coughlin (Offices), Frank Sechesky (Mill Office), Earl Knight (Warehouse), Pat Dooling (Townsite) and Reg. Payette (Mill and Schreiber). The last report from this active committee is that reservations are "rolling in". We wish to advise these people and others intending to "put in" this Event tickets MUST be picked up before Wednesday, February 20th. Further, it must be remembered that this Cabaret is held on a "first reserved, first served" basis, and admittance is limited. From reservations, the Main Hall is first to be accomodated followed by the Teen Town Hall, so get your tickets now, and avoid disappointment. Your admission ticket will also give you two chances to the Draw. Supplementary tickets to the Draw may be procured at twenty-five cents each from Bill Broome, Jim Cumming or Harold Marsh. Lucky ticket holders will be entitled to prizes of 1st at \$50., 2nd at \$25., and 3rd at \$10.

Dress optional; Music by Adamo; Picture Taking by Len Swirhun; Checking by Herman Roberts and Boy Scouts; Corsages by Mrs. W. E. Cavanaugh at the Post Office or Ted Brown at Dial 59 will all help to make this an entertaining and memorable evening. Incidentally, corsages must be ordered before Saturday, February 16th.

Entire proceeds of this Cabaret and Draw will be devoted to the helping of all hockey players in our Community from Pee Wees up. The response to outside benevolent campaigns in the past has been very gratifying, and now "our campaign" is in full swing seeking to help "our own".

This belated Valentine Cabaret should be a must since it falls in the Pre-Lenten season.

Aside from those mentioned, others assisting in this Event are General Chairman P. Mazza, Vice-Chairman H. Marsh, G. Rowlandson, B. Borsum, E. Veitch, M. Campbell, H. Crisson, O. Dalzell, B. Weaver, T. Sernesky, G. Paget and S. Valigrodsky.
