MONTEITH RINK WINS 'SPIEL

The Whizz Kids have done it again in winning the Terrace Bay Annual Invitational Bonspiel. As everyone knows, members of this minor phenomon are as follows: Bob Monteith, skip; Jim MacDonald, third; Hec. McLeod, second and George DeLong Jr., lead. Runners-up consisted of Bert Lohr, skip; Steve Valigrodsky, third; Scotty Hamilton, second; and Sid Spencer, lead. Consolation winner was the Lawrie rink from Marathon. Congratulations to all three teams! It was gratifying to have so many out-of-town rinks with us and hope that next year our Bonspiel will attract an even greater number of fellow curlers from the surrounding district. From all accounts the Bonspiel was a real bang-up affair (including the curling) and we are all grateful to those of our members who were responsible for its success.

This week end should see the wind up of the Imperial Bank Trophy and the Hudson's Bay Trophy play should also be well on its way. Also over the week end we are having the pleasure of a visit of 3 rinks from Chapleau who are coming up for a few friendly games on Saturday afternoon. So come on out curlers and help make with the welcome mat.

The challenge match for the Chapple Trophy between Terrace Bay and Marathon scheduled for this week end has been cancelled indefinitely. As soon as a new date has been established you'll read about it in this column.

I understand, men, we have a new trophy to contend for, donated by Bradings, a good old friend of many of us. There should be considerable interest in this one so watch for the new complement of rinks in the near future. You all know what some of these cup donors promise the winners!
