

BOWLING
MEN'S LEAGUE

The third series got under way Monday night with only one record broken and that was by P. Mazza who smashed out a noble 63 to take the leagues all time low. He tells me that he wanted to show J. Heenan that he wasn't the only one who could break records. He had to brow beat Grabowy though into rolling a neat 70 so that he could hold this record.

The Gunners apparently weren't fooling, for after the first night's play they are right up there with the Overheads and Short Circuits at the top of the heap.

This new system of Pagets of getting strikes by hitting the four pin is paying off. Monty not only rolled the high single of 272 but combined it with a 201 & 200 for a total of 673 to take the high triple for this week. Other good scores rolled are C. Buffett 234, 210, J. Deleo 238, K. May 259, 225, R. Nagaska 214, H. Midkiff 209, J. Maurstad 241, J. Jeanneret 211, J. McColl 227, 233, K. Ireland 210, A. Cline 221, B. Browning 245, 213, H. Hall 214, 210, A. Roussell 213, W. Borsum 238, A. McColl 233, 247, P. Mazza 224, M. Campbell 250, J. Heenan 221, C. Buffett 614, K. May 667, B. Browning 637, H. Hall 622, A. McColl 656.

MIXED LEAGUE

The Hot Shots got off to a nice start in the third series by taking four points Tuesday night to take over top position with the Bay Beavers and Stead & Lindstrom sitting on their heels with three points each.

This weeks honours go to L. Windle and B. Middaugh who each rolled a 253 for top honours. The Pin Boys took the high triple with a total of 2578 while Stead & Lindstrom rolled a 902 for the high single. Although there wasn't a triple rolled over 600, there were some nice games rolled which deserve mention. L. Boudreau 216, I. Goodfellow 218, J. Graham 200, 203, R. Harris 220, 219, B. STOP - LOOK AND LISTEN

Stop, Look and Listen are familiar words to all of us. We see them at all railway crossings. Let's apply them to ourselves. STOP Fires -- LOOK out for fire hazards and LISTEN to the messages on the radio about the great loss of life by fire every day. We hear or read about all of these tragedies -- let's do our part by STOPPING Fires --- LOOKING for fire hazards and LISTENING to the radio stories. Fire prevention is everybody's business, every day of the year.
