MATCHES AND CARELESS SMOKING HABITS

Careless discarding of lighted matches and smoking materials was responsible for nearly thirty per cent of all fires from KNOWN causes over a ten-year period. A burning match, tobacco debris or a cigarette carelessly tossed aside may start a disastrous fire taking heavy toll of lives and property. Remember, one little thoughtless act may take your home -- even your life!

Here are a few common sense precautions:

1. Keep all matches out of reach of children. Matches should be kept in non-combustible containers.
2. Have plenty of ash trays conveniently placed in all rooms.
3. Be sure your lighted matches or smokes are completely out before you discard them.
4. DON'T SMOKE IN BED.
5. Don't strike matches in closets, garages or other places where inflammable materials, dust or vapors may be ignited.

TERRACE CAPTURES TROPHY

Two Fort William teams travelled to Terrace Bay over the week-end to take part in the annual invitation ten-pin tournament. The keglers found the pins hard to topple, with the result that scores turned in were very poor and far below the usual averages of the visiting bowlers.

Terrace Bay No. 1 team headed all others to win the beautiful shield that goes with this honour. Nescos led the scoring until half way through the last game, but with about four frames to go the team fell apart while Terrace Bay kept going steady to pull out and hold the lead until the end of the game.

Bill Borsum and Leon Checkryn were the only ones to hit 1000 for 6 games, Bill scoring 1004 to head up all bowlers, Leon following closely with 1003.

After the games, the visitors were entertained with a banquet and refreshments, where Murray Fulkerson, captain of Nescos last year's holders of the trophy, presented the shield to Bill Borsum of Terrace Bay No. 1 team.
