

BOWLINGMen's League

Well, the Short Circuits are still at the top by taking 3 points this week. The Combustioneers are giving them a good run and are only 1 point down.

Al McColl of Overheads is the hot one for this week taking high single with 298 and combining 276 & 200 for high triple of 774. The rest of the team didn't do too bad either for they took the high single with 1057 and 2908 for the high triple.

Mixed League

It is still a close race for first place with the Bay Beavers only picking up one point it enabled the Hot Shots and Pin Boys who each picked up 3 points to tie them for first.

I wonder if Steini is trying to beat out Mazza for high score. Steini rolled a noble 69 Tuesday to give Peter a scare. To Irene Goodfellow goes the honours this week for high single. Irene bowled a 243 to lead the Ladies and J. Corrigan toppled them for 252 to lead the men. Nice going both of you. To the Ladies go the honours for 600 or over games. O. Harrison combined 194, 226 & 205 for 625 and H. Scott put together 198, 198 and 216 for 612. What happened to the men, the so called stronger sex?

Other good scores are A. Roussell 211, B. Day 206, 238, B. Middaugh 207, D. Harris 202, J. Graham 230, K. Graham 204.
