LARGEST CIRCULATION IN TERRACE BAY

March 27, 1952.

FAUST FINDS THE RANGE AT LONG LAST IN 10 PINS

Ron Faust, who has been threatening all year to really break loose in 10 Pins, smashed through with a vengeance last night as he hit one of the very top scratch series of the year, 576, to take the evening's high series honours scratch, high game scratch 200, high series with handicap 657 and high game with handicap 227. (In addition he won 30¢ from his captain.) He also had a 224 and 206 with handicap to lead the Engineers to a 4 point win over Warwick's Wonders as they hit high team game 847 and high team series 2709. Joe Wig had 206.

Nevertheless it was a sad night for the Engineers who seem to be perennial bridesmaids, for G. H. Woods wrapped up the "D" series for good with a 4 point win over the Orioles eliminating any mathematical chance of any of the other teams gaining the play-off berth. Len Swirhun hit 210 and Capt. Gord Paget had two 205's while Vern Hopper had 226 for the losers.

In the 3rd match the Electrons drummed out a 3 point lead over the fast fading Royals. Burella had 209 for the winners and John Louk 200 for the losers.

ALL BOWLERS NOTE CAREFULLY

At the close of the season two picked teams from Terrace Bay will travel to the Lakehead to bowl for the Hogarth Trophy against the best teams there. The 10 high averages in the league at the end of the season will make up the teams so let's get those averages up there. Only 2 weeks to go.

Standings to Date

G. H. Woods	18	Bears	7
Engineers	9	Royals	6
Orioles	9	Warwick's Wonders	4
Electrons	7

SPECIAL FILMS TO BE SHOWN

Through the courtesy of the Royal Canadian Air Force Recruiting Centre in Fort William, two special films entitled "Wasp Wings" and "War Department Report" will be shown in the Recreation Hall at 7:30 p.m. on Monday, March 31st. Also included on the evening's programme, will be a brief talk by Flight Lieut. Heaslip who will outline what steps are being taken by the R.C.A.F. in relation to Canada's defense programme.

There will be no admission charged and a cordial invitation is extended to all residents of the Community.

ST. JOHN'S AMBULANCE FIRST AID CLASS

The Terrace Bay Home and School Association is arranging a St. John's Ambulance First Aid course for anyone in Terrace Bay that is interested in receiving instructions.

The course is open to any of the men or women of our town and is not restricted to members of the Home and School Association.

If those interested in taking the course will leave their names with Mrs. R. Scowen, Hudson Drive, (Dial 67) or H. J. Coe, Technical Dept. by Friday, Mar. 28th, arrangements can be made to commence the instruction soon.
