New Adult Books:

"A Father in the Family" by Louis Paul. This heart-warming drama of a neighbourhood of wonderful people learning to live together and love one another in Louis Paul's most delightful novel.

"But Say It Politely" by Elizabeth Hawes. This is a fascinating travel book about the Virgin Islands which tells enough about life on one particular island - St. Croix - for us to get the social pattern of the whole.

"Neither Five Nor Three". A novel by Helen MacInnes. This is an exciting novel about New York. It is the story of a girl who gradually discovers that the man she loves has a secret other life in which he betrays our country.
