

BOWLING NEWSMixed League

Due to the virtue of modesty, the regular scribe of this column has surrendered his pen. And who wouldn't give up their pen in favour of championship, eh Buck!

Bermuda's weekly Mid-Ocean News and its Daily Royal Gazette please copy the following:

Stead and Lindstrom, captained by Miss Pat Dooling assisted by Bermuda's own Herb Crisson are now the winners of the Imperial Bank Trophy. Now it can be said that the directors of this team made an "ever good" decision in sending off to Bermuda their famous "Bermuda Kid" and recalling from Timmins the popular "Catalina Kid".

Through the kindness of Fabian Lindstrom the Stead & Lindstrom team was born, and it was not until the second series that this team showed their liveliness by winning the series and taking their place in the championship roll-off.

In a four game total pin-fall with handicap, Dooling's Stead & Lindstrom led with 4252, followed by Jakobson's Bay Beavers with 4193, Middaugh's Whirlaways with 3802 and Harris's Hot Shots with 3517. This play-off was close throughout and it wasn't until the last ball was rolled that the winners were declared by 59 pins.

Bay Beaver's Al. Cline just managed to get a game of 325 with a total of 1051. Stead & Lindstrom's Guido Morandin was lucky as usual with all games over average and scoring 941 (256). Other leaders were Whirlaways Harold Hall with 908 (249), Bay Beaver's Doug. Harris with 897 (251). John Graham with his 720 was the Hot Shots high.

Then comes those that keep the balls rolling. We did not forget Clarence Buck from the preceding paragraph. He rightfully comes into this category with his all time low of 135. Lil Harris achieved 89. Kay Graham managed to hit this scribe's age of 94. I don't care if I have to walk to and from work by mentioning Irene Edmond's score of 93. John Graham finished a game at 113 followed by Bob Middaugh at 112. Georgina Balderstone needed only 1 pin to make 100.

The winners! Stead & Lindstrom, Capt. Pat Dooling, Helen Scott, Lois Windle, Dolly Felton, Herb Crisson, Guido Morandin, Clarence Buck, Richard Day.

HEATING AND COOKING STOVES, ETC.

One out of every four or five fires is caused by faulty chimneys, flues, cooking or heating stoves, furnaces, carelessness with fireplaces or hot ashes, or sparks on roofs, etc. Most frequent causes of destructive fire in heating plants or appliances are: sub-standard equipment, incorrect installation and construction, lack of care in maintenance and unsafe operation.

All heating plants, pipes or appliances should be at least 18 inches away from any wall or burnable material. Heaters, including stoves, should be on insulated metal, cement or other incombustible bases. Walls and ceilings near stoves should be protected by asbestos sheeting or other insulating material.

Clean chimneys every year, and repair promptly when cracks or loose mortar appear. Never "force" a furnace to get more heat. Consult your heating man about increasing its efficiency safely. Empty hot ashes into metal containers -- never into wooden boxes.

CUB & SCOUT NEWS

The Boy Scout Group Committee would like to draw the attention of all Cubs' and Scouts' fathers to the fact that the 3rd Annual Father and Son Banquet will be held on Sat., April 26th, from 6:00 till 8:30 p.m. in the Basement Hall of the Community Church. Tickets have been issued to the fathers and payment may be made to Don Boudreau, Herman Roberts or Gord Rowlandson. Please notify any of the leaders of the Cubs or Scouts or any member of the group committee, prior to April 10th, of your intentions to attend.

Another item of interest is the fact that the dates for Summer Camp at Whitesands Lake have been set as follows: Scouts - July 6th to 13th and Cubs - July 13th to 17th.
