

G. H. WOODS SNAGS 10-PIN "D" SERIES

G. H. Woods made it official last night even though they took a 3 to 1 whipping at the hands of those Bears. In spite of that they ended up as the "D" series winner (no one was even close) and will roll off in the Playoffs against the Royals, Orioles and Bears for the 10-Pin Championship Trophy.

All the high scoring took place in the other match of the evening, however, as the Engineers got some very sweet (as well as tasty) revenge when they whomped the Royals in a grudge match by a 264 pin margin. The Engineers had high game of the evening 964, high series 2720 and Tom Williscroft took most of the scoring honours with high scratch game 209, high handicap game 249 and high handicap series 587. Lindskoog had the high scratch series of the evening 498.

200's with handicap were posted by Morar (Bears) 221, Gord Paget (G.H.Woods) 221, Malashewski 207 and Freeman 214 (Royals) and Lindskoog 207.

SOFTBALL LEAGUE ALL SET

A very ardent bunch of softball enthusiasts turned up at the Recreation Hall on Monday night to discuss plans for this year's Softball House League. All four shifts were well represented by volunteers who stated that each shift would definitely field a team for league play. It also looks like we shall have another four teams made up from day workers and in that event we should have two leagues of four teams each. If such is the case, it has been decided to operate both leagues with games being played afternoons, evenings and week-ends; each league would declare a winner and have both teams play-off for the town championship. Another highlight of the meeting was a suggestion by Bob Burella that all of the eight teams get together and promote a large scale dance or other type of money-making project and have all of the profits earmarked for the winning team's awards at the end of the season.

Starting date for the league has been tentatively set for the middle of May.

The Executive of the league will be composed of the manager of each team, plus the Umpire-in-Chief and a non-voting Secretary. Bill Broome was unanimously elected to handle the duties of equipment manager, which is a real good break for the league.

As soon as the Executive are able to meet to discuss a Constitution, etc., further details will be made available to all through the "News" and Mill notice boards.
