LARGEST CIRCULATION IN TERRACE BAY

April 17, 1952.

## Curlers To "Soop 'er up" Sat. Nite

For the ladies: dress is optional.

As never before, we will require utmost co-operation of curlers and their guests in management of the party. Hall set-up, food service, and rearrangement of the hall for dancing must all be done by or under the

The new orchestra is looking forward to this one as much as you are and are really hard at work rehearsing ....new instruments and all.

If you're smart (and we think you are) you'll keep that date open and line up your baby-sitter now.
