

BADMINTON NEWS

Entries for the two day Open have been steadily coming in and it looks like quite a "do". This year's entries will exceed the one previous and when a final count is made there will be close to 50 players from the four NSBL towns fighting it out for the trophies. The big question is whether or not the "champs" from the Lakehead Open will be able to hold the fort and win out again.

Six members from the Terrace Club have submitted entries in all events and it is hoped they will bring back some of the laurels. Making the trip will be Dot Dalzell, Olyve Harrison, Helen Scott, Bill Marsh, Ray Stachiw, Clarence Buck and Gord Paget.

Play will get underway at 1:00 p.m. Saturday, April 19th at the Marathon Recreation Hall. There will be a dance Saturday evening and the finals will be played off on Sunday.

BLUE CROSS GROUP OPENING DATE

The Blue Cross group opening date for changes in contract is July 15th, and any changes should be reported to the Personnel Department prior to May 10th. This means that any employees of LongLac Pulp and Paper Company who have taken only single coverage may now cover family, or those who may have public ward coverage may now change to a semi-private contract coverage. While the Personnel Department is eager to assist employees on attending to changes as required the onus rests with each individual to be certain that he and his family are fully covered.

Running into a former suitor at a party, the sweet young thing decided to snub him.

"So sorry," she murmured when the hostess introduced them, "but I didn't get your name."

"I know you didn't," said the unabashed suitor, "but you certainly tried hard enough."
