LARGEST CIRCULATION IN TERRACE BAY

April 24, 1952.

Community Dance Friday

On Friday night all you fellas will have a real chance to show the "better half" that you're a real "big" sport. With this Friday being Ladies' Free night you can afford to be a big sport without it costing you too much, as all it can possibly cost you will be One Buck (\$1.00) whether she finally agrees to go with you or not.

The boys in the band have been hard at work of late, practising to be able to dish out some very fine music for dancing.

Don't forget people, that these dances are being sponsored by your Recreation Committee and so by patronizing them and making it possible to declare a profit, you get your money back in the end, as all profits will be spent on recreation in general.

We'll be looking forward to seeing you on Friday at the dance that will get underway at 9:30 p.m. and will last until 1:00 p.m. The place: The Recreation Hall.

TOWNSITE CLEAN-UP

Spring-time is Clean-Up Time ---Residents of Terrace Bay are requested to rake up all of the debris left lying around since the snow has left us. Do a real job on those front lawns and back yards and place the refuse in neat piles beside the road where you would normally leave your garbage cans. It will be picked up on Tuesday, April 29th.

A REMINDER TO FATHERS

This Saturday, April 26th, is a big day in the life of the Cubs and Scouts. The Annual Father & Son Banquet is to be held in the Basement Hall of the Community Church.

SOFTBALL LEAGUE

Local softballers got together on Monday night and had another successful meeting. Now that eight teams are definitely assured (4 teams of shift workers and 4 teams of day workers) the league will get underway on Thursday evening, May 15th. In the meantime, as soon as the diamonds are ready for play, the teams will start practising to get into shape.

It has now been decided that all players may wear gloves if they wish to do so. This should make for a better brand of ball to be played in our league this year as well as curtailing finger injuries. It will also give all of you old crocks a chance to come out of retirement and join the ranks of the active. No longer will you be able to give the excuse that your hands are not in shape. See you on the ball diamond!

NOON HOUR MOVIES

An interesting programme of movies will be shown in the Mill Conference Room at Lunch Hour today and again at noon on Friday (tomorrow) in the Cafeteria.

Featured on this programme will be life in the Canadian Navy; a colour film on Canadian Forests and, if time permits, the story of Canada's Postal Service.
