

MEN'S LEAGUEConsolidated Press Wins Men's 5 Pin League

Led by Joe Heenan, who was in top form Monday evening, the Consolidated Press beat out the Wings and Combustioneers to obtain possession of the Dominion Catering Trophy. To cut down wind resistance the press boys left their brilliant red caps, which they usually wear at home so that they could travel a bit faster. It sure paid dividends, didn't it Peter. Although the Consolidated Press slipped in the third series after winning the first two, they showed their ability in the roll off by posting scores of 1022, 1059, 1050 and 1042 for a total of 4173. (Just a bunch of money bowlers.) After a slow start the Wings led by Morandin and Buck began to roll but were unable to overcome the lead built by the Press in the first two games. The Combustioneers, after winning the third series seemed to fold up for the roll off, although there were some nice individual scores rolled by members of the team.

Some of the better scores rolled to finish the season off in a blaze of glory were G. Dennis 258, P. Diduch 209, C. Buffet 200, J. Holancin 305 (the only 300 game rolled in the play off) W. Wainikka 217, H. Boudreau 215, 246 (836), M. Campbell 205, J. Heenan 239, 290, 250 (959 - high series for the night) H. Solly 207, 210, 257 (872), F. Sechesky 251, L. Swirhun 215, 204, G. Morandin 216, 227, 241 (803) C. Buck 217, 201, 295 (872).

Special mention, I believe, should go to Joe (Fire Ball) Heenan and his 959 series. This gave Joe an average of 240 for the night which is nice bowling in any man's country.

The final standing was:

Consolidated Press	- 4173
Wings	- 3995
Combustioneers	- 3828

Congratulations for a good job done, Boys of the Press, consisting of P. Mazza, J. Heenan, M. Campbell, H. Boudreau, H. Solly, E. Grabowy and Joe Kennedy.

John Maurstad's Sudslingers, led by Bill Louk won the Consolation Roll Off with scores of 1007, 1055, 1066 and 1009 for a total of 4137. All the teams in the consolation with the exception of the Gunners bowled with a blind. The Sudslingers, during the season, held around the fifth rung on the ladder but when the chips were on the table, really filled their hands. Louk put together 195, 283, 271 and 196 for a total of 945. Bob Browning of the Short Circuits took the high single of both roll offs with a nice 307.

Well, that winds up another season (except for grudge matches, that is; don't miss Salary against Hourly next Wednesday) but as they say in the funnies, "wait till next year!"
