LARGEST CIRCULATION IN TERRACE BAY

May 1, 1952.

### FISH AND GAME CLUB STAG

For some time the idea of a Stag has fermented in our brewing pots (minds, to the quizzical). May 5th is the BIG DATE. All members, and non-members seeking the truth on why Fishermen and Hunters exist, are invited to attend this affable DO. One may be sure that tall tales will mingle with the fumes from our buffet lunch and grow more interesting as refreshments are served.

An interesting door prize will be given to some lucky first-nighter just to show that the Club is not a Piker. So dust off your favourite sports hat and bring it along with the tall tales that flow so eloquently from beneath its battered brim. Above all, come and have a good time.

Tickets may be had for one buck and a quarter (in terms of cash) from almost any member. See yo' all at 8:00 p.m. on May 5th at the Recreation Hall.

### COMMUNITY DANCES REALLY POPULAR

If last Friday's attendance at the Community Dance is any criterion, these semi-monthly dances are really taking hold. The crowd was gay, the music very good and the idea of Ladies Free -- Men - One Buck, seemed to meet with approval. Maybe it wouldn't be a bad idea if you lined up that baby-sitter now for Friday, May 9th. Remember folks, these dances are strictly for your benefit.

### MINOR HOCKEY BANQUET SATURDAY

All plans are in readiness for the Minor Hockey Banquet to be held at Hotel Terrace on Saturday evening at 7 p.m. A fine programme of guest speakers, sports films, presentations, and of course, a nice supper, has all been lined up. All players and executives who have been requested to attend are asked to be on hand early.

### LIMERICK DEADLINE EXTENDED

### FIRESIDE PROGRAMME

An excellent programme has been lined up for the Fireside Hour scheduled for 8:15 p.m. in the Community Church Hall on Sun., May 4th. A dandy film is on tap and Ernie Rowson will give us a short talk on the advancement of phonographs, from the days of the old Edison machines up until the new-fangled 3-speed electric phonographs that we use today.

As usual, refreshments will be served.
